

What is Esmeralda waddling off with now?

Pigs are very curious creatures with a mind of their own! Each day Esmeralda is waddling off down the hill with something new in her mounth.

Old rusty wire, a tea cup, a pair of rotting sneakers. Actually, she put the sneakers on!

What else has she found? Add to this drawing, your idea for 'something new' and finish the sentence below.

She found a _____ in the paddock...

...and waddled off down the hill.
