

# Joey and Riley

Mandy Foot

Cut out the square below and follow the instructions on the left to create your own Border Collie book mark.

1. Fold in half diagonally to make a triangle.
2. Then fold in half to create a crease.
3. Fold the corners down along the dotted lines to create the ears.
4. Fold up the top layer of the tip of the triangle to meet the dot and form the nose.
5. Cut off the bottom layer of the tip of the triangle.
6. Draw on the eyes, nose and mouth then colour in your book mark. Finally, glue the edges, stopping just over half way down. Don't glue the bottom.

Happy reading!
